Dear Triathlete,

We regret to inform you that due to Covid-19 our organization as decided to postpone the AZORES TRIATHLON to May 9, 2021.

For someone who loves triathlon and has idealized an event with the main purpose of promoting Terceira island as a paradise for our sport, it is with a great pain in our soul that we are forced to take this decision in the interest of public health.

All registered athletes are automatically transferred to the rescheduled date in case they wish to participate next year. For those that the new date is not suitable we will provide the refund just deducting the banking commissions that were applied to us.

For refunding purposes you just have to send an e-mail to azorestriathlon@gmail.com asking for the refund and stating your IBAN details.

Train safe, follow the guidelines of your National and Health Authorities and stay healthy with all your loved ones.
